El Susurro Speaks

Yes, indeed, I am almost as old as Monterey High School. It doesn't seem possible, but I have watched thirty-nine graduating classes set forth into the world. I am still pretty sharp though. I can even remember as clearly as if it were yesterday the day that I was named. It began when the late Miss Susan Gregory and her English class were on a picnic by the reservoir. The wind was whispering through the pine trees. All of a sudden Miss Gregory jumped up and said, "Let's call our yearbook El Susurro, which means the whispering of the pines." There I was all ready to begin my existence.

But wait just a minute. I can't say I was the first yearbook at M.U.H.S. I had an older relative called the "Junior Journal" dedicated to Blanche Bixby. He came out in 1905, and was put out by the juniors because they were the oldest class in the school. The first commencement was not held at Monterey until 1906.

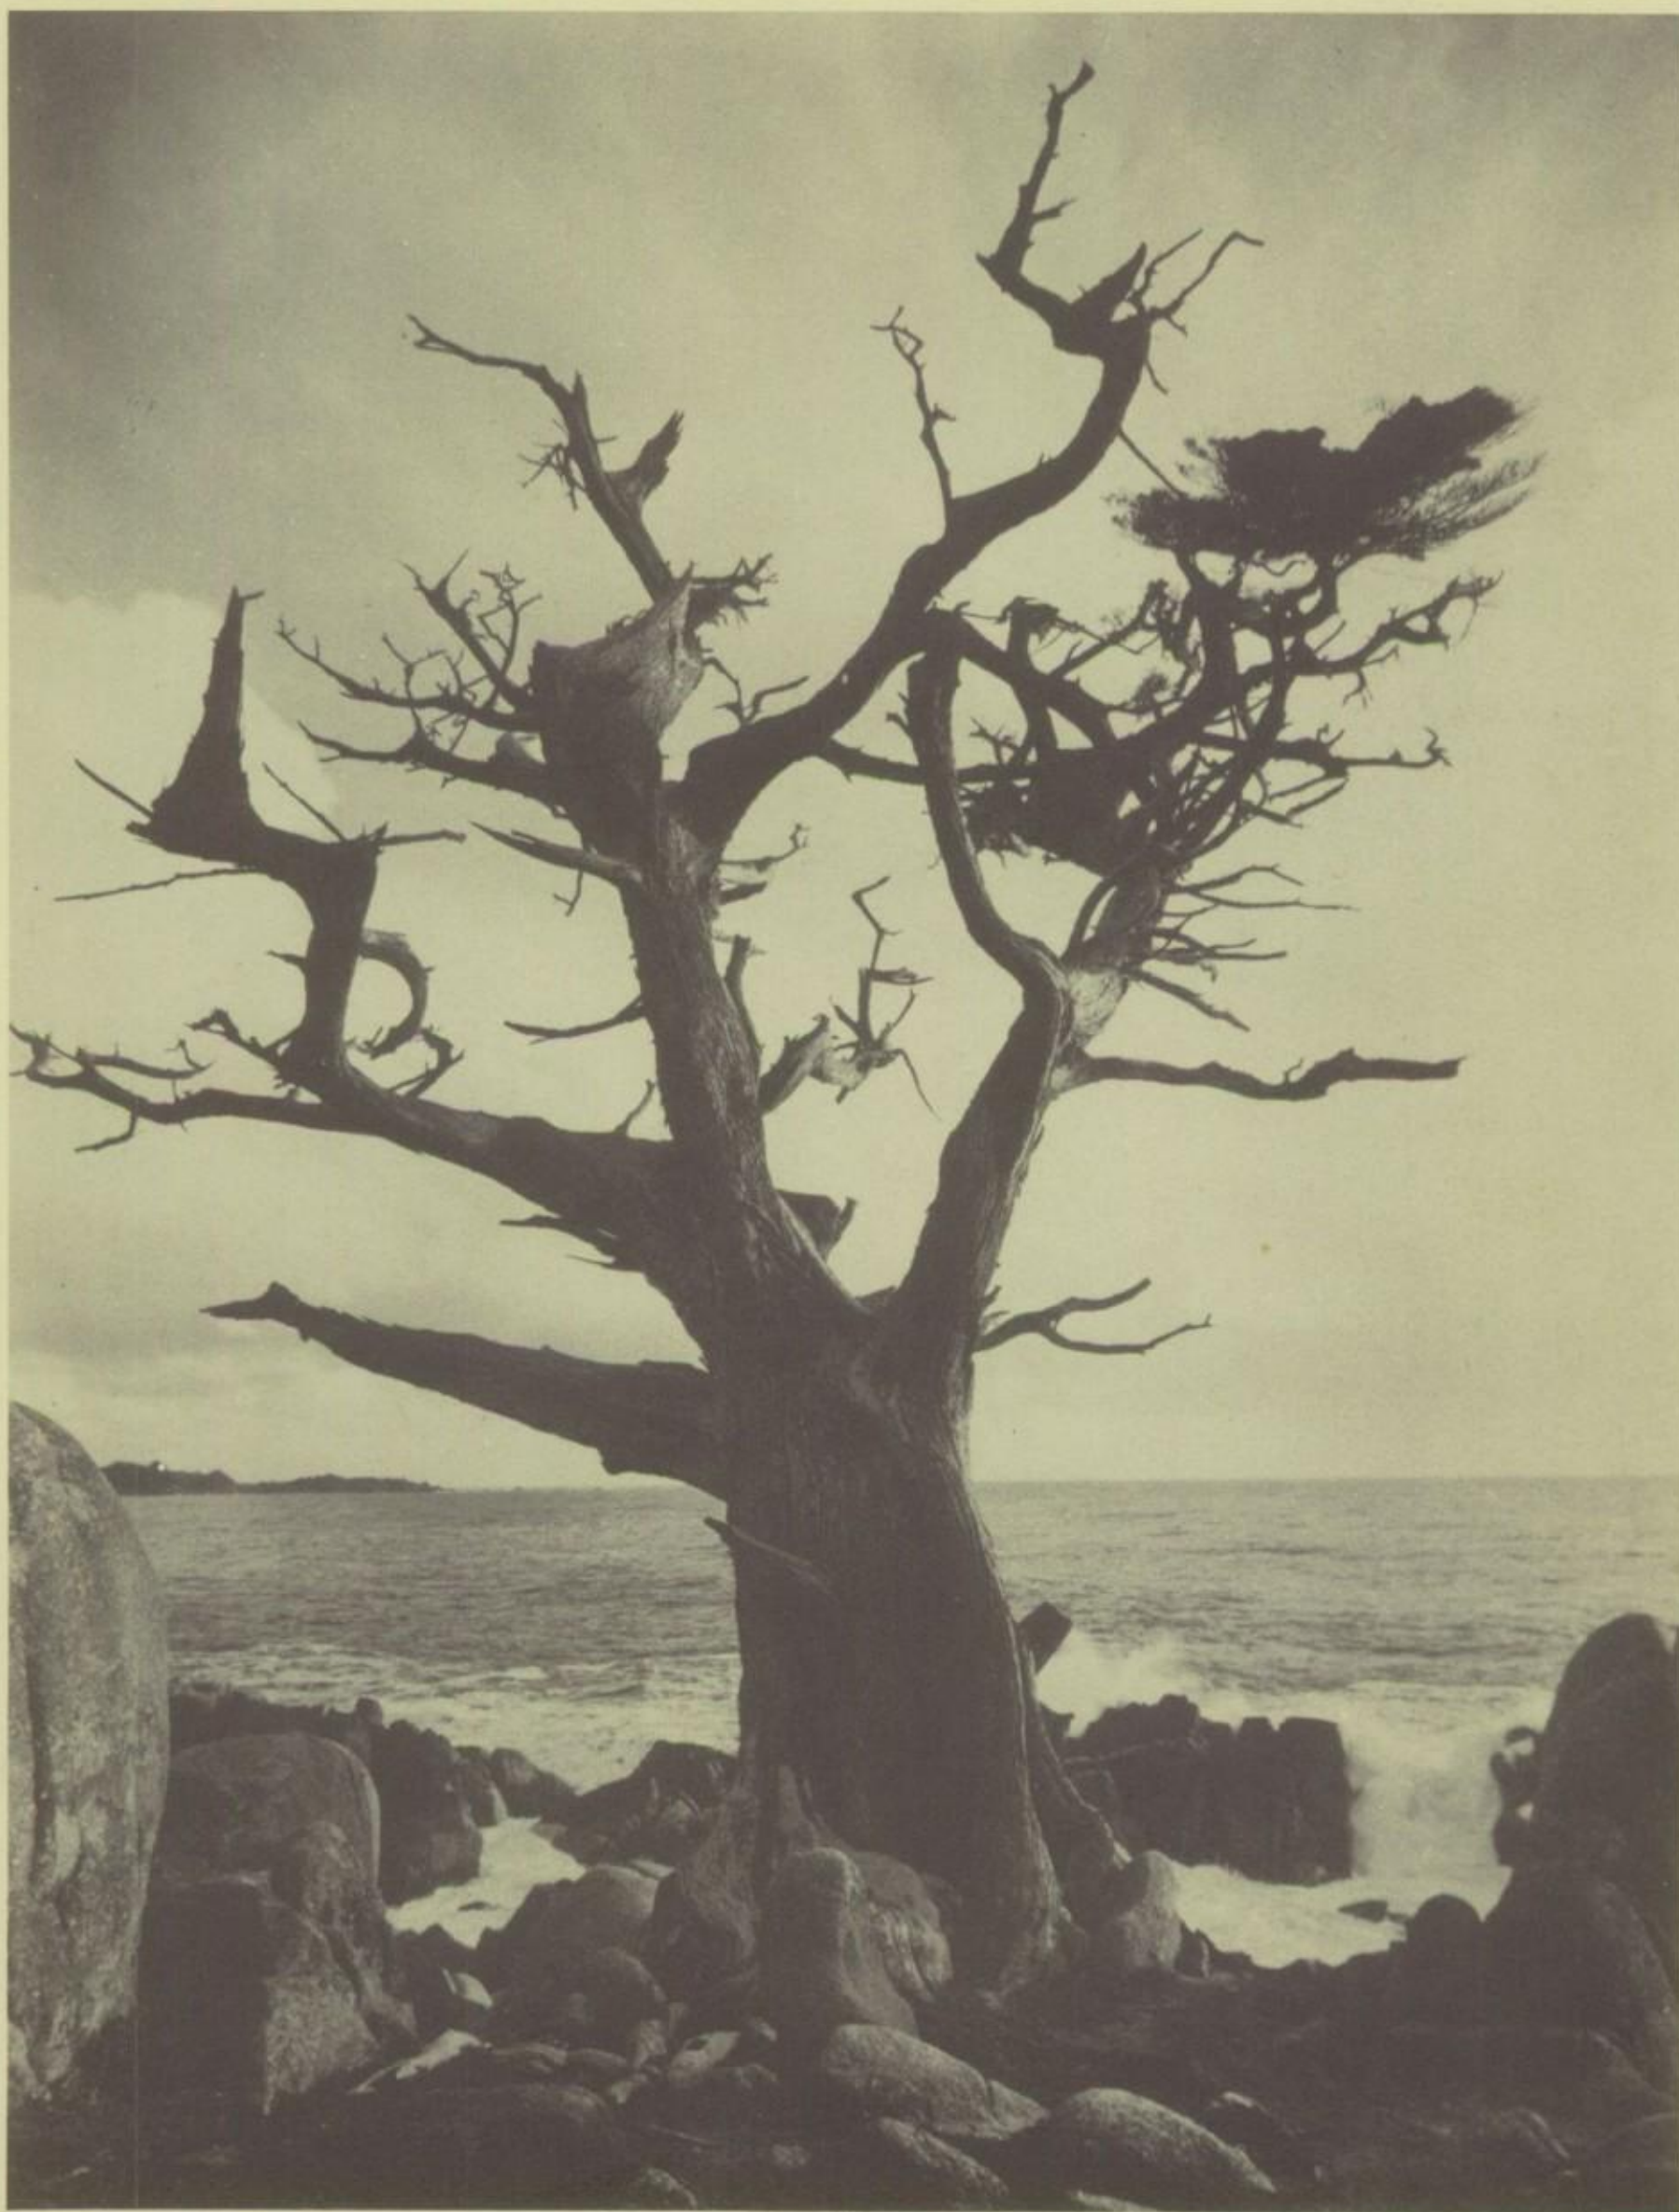

Now let us get back to my own life. I thought I belonged to the elite in those days with my thirty some odd pages. I was full of poetry; on almost every other page there was a poem written by Myron Oliver. You know Mr. Oliver; he owns the Curio Shop across from the Customs House.

Athletics was given only one of my pages because there were very few students and very few games. I do remember telling about a track meet back in 1910. M.U.H.S., then only M.H.S., entered only one candidate, and his shoe came off shortly after he started the half mile.

In 1910, there were two issues of me, and the one at the end of the year was given over exclusively to seniors. Only one of my pages was needed for senior pictures, since the average number of graduates was seven or eight. I carried the senior history, will, prophecy, colors and class poem.

I had advertisements too, because even in those days the staff had to have money although I only cost about one hundred dollars to publish. I can remember some of the stores that advertised in me for the first time. They were Charmak's Clothes Store, now Charmak and Chandler's, Sparolini's Grocery, now Vining's, the Palace Drug Company, and Holman's Department Store. Even some of the doctors, the late Dr. W. L. Teaby, Dr. H. N. Yates, and many others, advertised in my pages.

I have come a long way since those first years, and I have finally grown into the beautiful book you see before you today.

By Golly, It looks like it's time
for us to scam. Well, we're glad to
be going although we had a lot of
fun. Remember the Algebra and
English classes? Vamos a ir, you've
been a swell classmate; hope to see
you at Cal.

M.U.H.S. sadly says goodbye to Miss
Edna Hoffman. Miss Hoffman has been a
member of the faculty for years and has
served as adviser of El Susurro for several
years. The enthusiasm with which she
plunged into the work of the yearbook was
an inspiration to all, and there is not enough
we can say to her in appreciation for her fine
teaching and her hard work in preparing
students for the English A.

Even though she will be living in Placer
County, she will never be forgotten by her
many students and friends.

Don't forget to write to Miss Hoffman
when you see her. She'll be glad to hear
from you. Love, Dan & Peter

Dedication

To the business people of Monterey and its environs, who, by their generous, long-time support, have made possible the printing of the year books, the staff gratefully dedicates the 1947 El Susurro.

SENIOR MEMORIES

In 1943, two hundred and twenty-six of us stepped onto the Monterey Union High School campus. Today one hundred thirty-four of us, now young men and women prepared to take our places in a business, in a home, or a college, will leave the campus.

We were welcomed officially at an all school dance at the beginning of the first year. In Orientation the rules and regulations of the school, the activities and clubs, and the system of grades was explained to us. We were very active in the Fourth War Loan Drive and the Junior Red Cross.

As sophomores, we started raising money for one of our most important social events, the Junior-Senior Prom. When we had our Moonlight Dance, we were the first class to decorate the new Social Hall.

Our junior year was our first peace time year in high school. After selling cokes at the games all year to increase our bank account, we had our Junior-Senior Prom at the Country Club. For the first time in the history of the school the Prom was held there.

Now we are seniors. The day that we looked forward to has come. The annual Senior Barn Dance was very successful. We organized a Senior Chorus under the direction of Rue Manhire. The Seniors did most of the hard work on the year book.

In the tomorrow's, we shall think back with pleasure on the four years we spent at MUHS.

The Junior Class had a very busy year which was started off with the selling of cokes during the football games. Near the end of the first semester the class had a Sadie Hawkins dance that was generally regarded as the most successful one of the year. It was held in the gym and had a very large turnout.

Later on in the year the juniors had a booth in the May Carnival and put on the annual Junior-Senior Prom.

MR. HOLMAN

THE SERVICE CLUB

The Service Club has had an active year during 1946-47. In addition to the "luncheon" meeting held once a month, the Service Club has sponsored an all-school dance and entertained the Lions' Club at a Christmas luncheon. On March 17 the members attended the opera "La Traviata" at San Jose.

Membership in the club is now based on the number of points which are to be recorded each semester. The co-sponsors of the club are Miss Brereton and Mr. Holman.

KEY CLUB

Under the direction of Coach Hal Youngman the Key Club once again witnessed an active year. Sponsored by the Monterey Kiwanis Club, the Key Club held evening dinners once a month at De La Torre's. The Block M Society and the Key Club joined in the co-sponsorship of an Easter dance. To climax the year's activities, a large Bar-b-Que was held at Big Sur in May.

The officers for the entire year were

Pete Coniglio, President,
Forrest Millington, Vice-President and
Bob Delgaillo, Secretary-Treasurer.

MR. YOUNGMAN

MR. YOUNGMAN

BLOCK M

The Block M had a very active year in the 1946-47 term. The development of a point system which would definitely determine who would receive letters highlighted the year's activities. The organization worked with the Key Club in the planning of their annual dance. The Block M picnic was scheduled for the end of the semester.

Block M officers were Tom Incaviglia, President; Ronald Roberts, vice-president; and Jim Gallagher, secretary-treasurer; Adviser, Harold Youngman.

JUNIOR RED CROSS

The Junior Red Cross this year has been operating under the capable direction of Miss Ruth Blanchard. Assisting her were the organization's officers Gene Abinante, chairman; Joe Poltrone, vice-chairman; Carmen Torrente, secretary; and Bessie Colletto, treasurer.

The Junior Red Cross has packed and shipped one hundred gift boxes to be sent to different countries overseas. These boxes contain a bar of soap, a washcloth, toothpaste, a toothbrush, a small toy, and many other items. The students have received letters from two countries where their boxes had been sent, and the people expressed deep gratitude for these articles. The letters were from Rome and Holland and were written in their languages and the translations were included.

During the spring the Red Cross has been engaged in packing books to go to the Philippines. Because most of the Philippine schools were destroyed during the war, the books which were sent were school text books.

The Junior Red Cross planned and produced an assembly at Pacific Grove High School and repeated it here at MUHS.

The enrollment drive was again 100 per cent, a very gratifying result, since this was its first real post-war year.

The annual Junior Red Cross Dance was again a success.

MISS BLANCHARD

THE PALETTEERS

A group of outstanding art students compose one of the most active organizations in school. They are called the Paletteers.

The Paletteers' membership is made up of students who must maintain a B average in their art grade and a C average in their other courses.

A student may receive membership only by a written invitation. After having received written invitations, all incoming art students are initiated.

The Paletteers had quite a time this year. In San Francisco they saw several art exhibits, which they enjoyed very much. Among their other activities was their part in the Spring Concert and the annual Paletteers' picnic. It was highly successful this year, as it has been in the past.

Harvia Mundell, president of the club, distinguished herself and her club by winning first prize in her type of art work at a San Francisco exhibit.

Other officers are Clotilda Castro, Vice-President; Gwen Reed, Secretary-Treasurer; Angie Melicia, Publicity Manager.

MISS HARPE

The Monterey Union High School Shop

The various departments of our shop are The Machine Shop, Auto Mechanics, Carpenter Shop and Radio Department.

In the Machine Shop the boys are taught the manipulation of all the machines such as the milling machine, universal grinder, shaper, turning lathes, and numerous other complicated machines.

Leaving the clanging of metal, one enters the advanced Auto-Mechanics Department. Now one hears the humming motors of the cars that have been repaired, and the knock, knock of the ones to be overhauled by the eager hands of the experienced boys under the direction of Mr. Clarence Martin.

Mr. Edward Kelly presides over one of the best equipped carpentered shops in the state. Here the boys learn to use carpenter tools such as the hammer, saw, level and square, and to read blue prints. They are also learning the proper use of the surface and cut-off saws, knowledge which will enable them to complete an innumerable number of projects and to gain ability along the carpentry line.

Next one can hear, more than see, the Radio Department in action. Amidst the blaring of news, music and station announcements, as well as singing commercials, one can find a large number of boys intensely interested in learning the proper use of tubes, wires, condensers, speakers, antennas and all the other parts that make up our universal pastime of radio listening. The pupils are also fortunate in being able to study and use some of the latest radar equipment.

These boys are all members of the Shop Club which presents the annual Shop Picnic and Shop Dance under the sponsorship of Mr. Frank Bell.

The Shop Officers are

President, Bob Crawford; vice president, Gail Lamb; secretary, Frank A. Lucido; treasurer, Roger Mead; Sergeant at Arms, Bill Reedy.

In the Industrial Arts Department of the shop there are forty-eight girls and two hundred and two boys in the following sections: Basic Auto Mechanics, Driver Training, Flight Indoctrination, Carpentry, and Radio.

MR. BELL

BAND

This year the Band has greatly increased its activities. Under the direction of Mr. Anderson it has been consistently present at the football and basketball home games. A "pep-band" was often formed for our Friday rallies.

The Christmas Program and Spring Concert highlighted the many activities carried on by this group. The fine music that was played delighted the audiences and merited many compliments.

MR. ANDERSON

MR. KROGH

LEGISLATURE

The governing body of M.U.H.S, composed of student representatives from each home room, had a very successful year, Many important issues, including a conference of peninsula high schools on the subjects of vandalism, were discussed. Student representatives of Monterey attended a parley at Salinas in which all CCAL schools participated. Under the capable direction of Presidents Sal Colletto and Lou Rudolph, the affairs of the school were effectively carried on.

G. A. A.

Barby

The Girls' Athletic Association is composed of girls who take part in after-school sports. To be a member of the G.A.A., a girl must have acquired three hundred points, which she earns from participating in the various sports. The sports for the 1946-1947 were soccer, volleyball, basketball, tennis, archery, swimming, badminton and baseball. There are now eighty-one girls in the G.A.A.

The G.A.A. had high hopes of giving a dance this year, but the girls waited too long for a calendar date. They did, however, have a very successful pot-luck supper, and plans were made for a play-day that was held in April. The Association invited Salinas and Gonzales.

THE SCIENCE AND MATHEMATICS CLUB

The Science and Mathematics Honor Society is sponsored by Mr. F. A. Young. The club was organized last year to further the interest of students in the different fields of science.

Membership in the club is by invitation and is limited to fifteen seniors and ten juniors.

This year the members are managing the swimming meets.

The officers are the following:

President, Lois Curtice

Vice President, Charles Myers.

Secretary-Treasurer, Geraldine Chinn.

ORCHESTRA

The orchestra, under the direction of Mr. Clifford Anderson, has made remarkable progress since the beginning of the school year. It has demonstrated its talent several times during the year, and each performance has proved to be very successful. The orchestra made its debut at a Christmas Concert and later entertained the P. T. A. It also took part in the Spring Concert on March 20.

GIRLS' DRUM CORPS

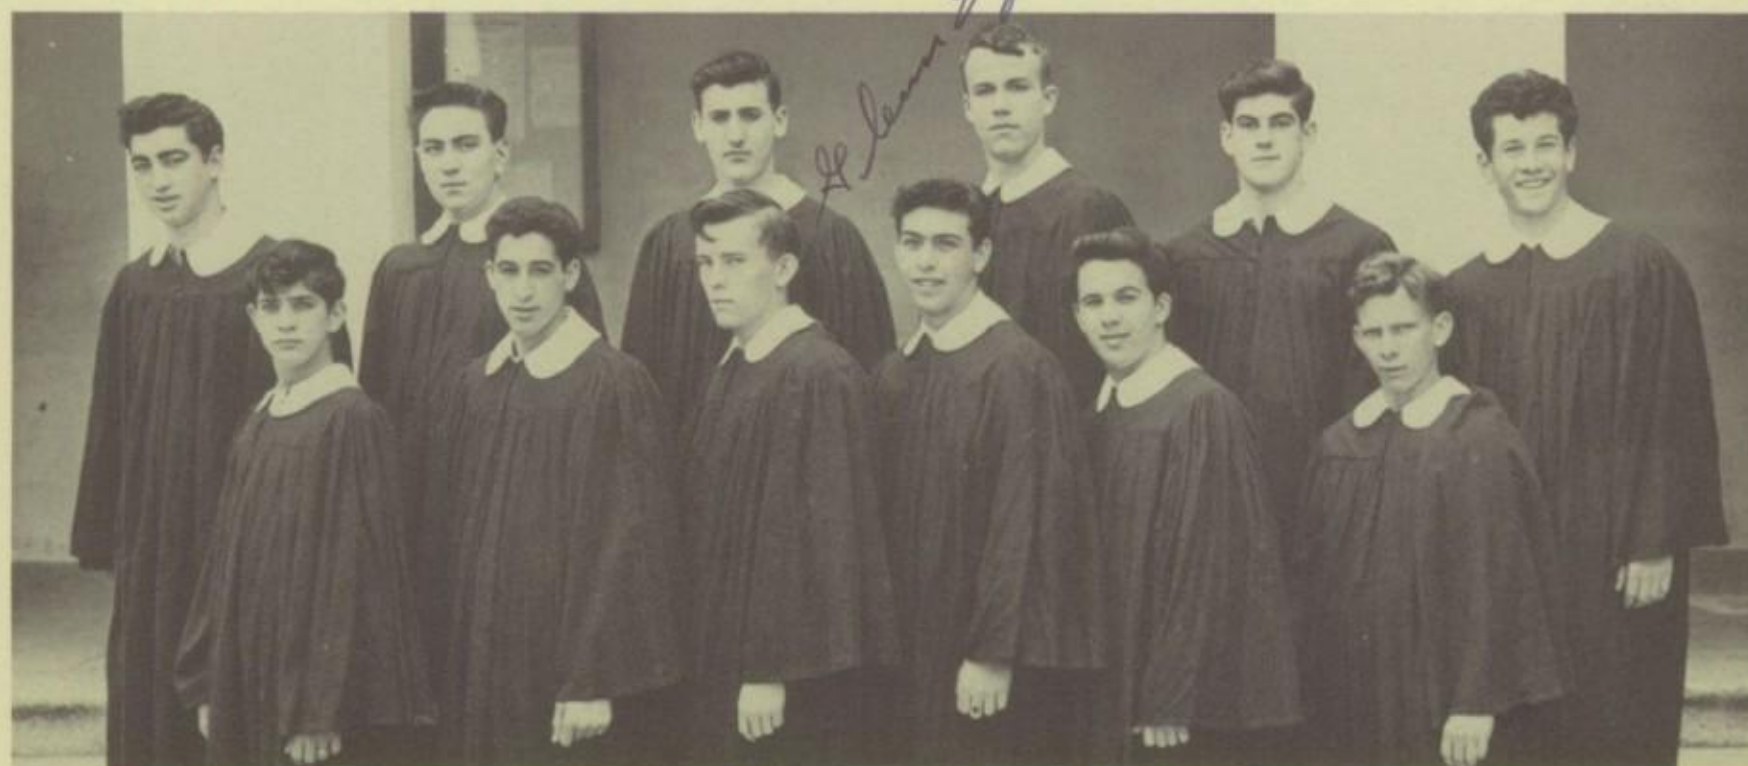

Adding color and entertainment to the football intermissions and several parades were twenty-four green and white clad girls who were led by five strutting majorettes. The Drum Corps paraded through intricate drill formations vigorously beating their drums.

Their spirited performances showed the hours they had practiced twirling and drumming before and after school. The group has grown considerably since its first appearance at last year's basketball games and will return again next year to help bring forth the school spirit.

GIRLS' GLEE CLUB

Nightingales of Monterey Union High School would be an appropriate title for these girls that composed the Girls' Glee. The group enjoyed an active season with appearances before most of the service clubs of Monterey, the Boys' Glee Club, the P.T.A., on several radio broadcasts, at Christmas and Spring Concerts, and participated in the Tri-County Music Festival held this year at Santa Cruz. Rue Manhire directed the group. Accompanists were Anna Costa and Gwendolyn Reed.

BOYS' CHORUS

This school year saw many new classes under the direction of Mr. Manhire developed into at M.U.H.S. One of the most popular classes was the Boys' Chorus. The class began with the enrollment of eight students and later in the year increased its enrollment to sixteen. This organization has done much to boost school spirit. It has participated in various programs such as the Christmas Concert, El Susurro Variety Show, Spring Concert, and has appeared several times on the Monterey Boys' Club Radio Show.

SPANISH CLUB

The Spanish Club was organized this year as an honor society. In order to be a member, a student has to have a semester grade of a B. Any student that takes a third year of Spanish becomes a member automatically.

The members and their guests enjoyed a Spanish Christmas party. The traditional Baile de las Cascarones was given in the spring.

The officers for the first semester were

President, Sal Solis; vice president, Pat Mondloch; secretary, Rosemary Wong.

The second semester officers were

President, Carmen Munoz; Vice president, Gloria Tarallo; secretary, Lois Curtice.

LATIN CLUB

After a few years of inactivity, the Latin Club, Discipuli Latini, is again participating in school activities on a large scale. The club has planned a Roman banquet, a dance, and a picnic.

The Discipuli Latini also participated in the May Carnival. Mrs. Petersen, the club adviser, has done a fine job in making these activities successful.

The following people were officers during the past year: president, Everett Messinger, vice president, Sal Colletto, secretary treasurer, Betty Lou Jones.

OFFICE STAFF

Under the supervision of Miss Anita Criscuolo, office girls are selected to assist in the office one period a day, and they receive credit for their duties which consist of marking attendance slips, answering the switchboard, doing office communications, and attending the counter.

Girls who worked in the office this past year were Anne Galluppo, Benigna Prieto, Frances Henry, Lucille Gallaro, Josephine Aiello, Barbara Larder, Barbara Grimes, Dorothy Gilroy, Rose Marie Coniglio, Mary Ingram, Agnes Cardinale, Angie Crivello, Grace Cardinale, Rose Manzella, and Geraldine Cardinalli.

CAFETERIA STAFF

The Cafeteria staff, under the management of Mrs. Eleanor Hilgers, is made up of students who work during their lunch period or during an extra period. The knowledge that each one of the staff has gained in the many departments of work in the Cafeteria is invaluable. The students are paid either in lunches or in money. To them should go the credit for the fine work and efficient service to the pupils of MUHS.

THE GALLEON

This year's journalism students turned out a very successful school paper with the aid of their new instructor, Mrs. Peggy Moreau, who introduced the class to many tricky journalistic short cuts.

The staff created several new columns, "Corridor Dirt" for the gossip lovers, "The Sports Roundup" and the students' own feature, "Dear Editor." All stories were topped by a new type of headline which gave the paper that important look.

The Galleon writers had quite a time finding a permanent dwelling. After being evicted from room 16 and being too crowded in 17, the students were driven by cold in 64 and movies in 65 to their present headquarters in 23 where they now find freedom of operation among the art supplies.

Aside from putting out a paper they found time for fun and frolic at the "Moulin Rouge" apache dance a huge success.

Several journalists toured the San Francisco Chronicle where they saw how a large newspaper functions.

LIBRARY STUDENTS 1946-1947

Readers at the MUHS Library are to be congratulated! Books most widely read are Book Club selections of highest quality, sports books, animal stories, and books of family life.

Generous gifts have been made by Ed David, Dr. C. L. Fagan, Bernard Torres, Betty M. Chadwick, and the Galleon Staff.

Valuable assistance in helping to further the variety of activities focusing in the library, has been rendered the student library staff and Miss Baker by Coach Youngman, Mrs. A. Petersen, Mrs. N. Knight, and Mrs. M. Swager.

Students on the library staff were the following:

Aiello, Vincent; Altavilla, Nell; Bruno, Rosie; Burton, Marilyn; Cardinale, Grace; Coniglio, Rosemary; Cooper, Betty; Curtis, Shirley; De Amaral, Frankie; Edmonson, Joan; Evans, Betty; Everett, Margaret; Emery, Marilyn; Flores, Rose Marie; Galetta, Dorothy; Harkless, Marilyn; Jackson, Marie; Kline, Emily; Larder, Barbara; Lonero, Lucille; Lucido, Marietta; Machi, Andrew; Mason, Pat; Mitchell, Cecil; Omegna, Eleanor; Perez, John; Powell, Donald; Randazzo, Pansy; Riso, Sal; Roberts, Ronald; Soares, Barbara; Shibasaki, Kiyoko; Spadero, Michela; Stevenson, Jean; Sollazzo, Katherine; Tarallo, Gloria; Tringali, Marie; Tsubouchi, Jean; Venza, Adeline; Williams, Evelyn; Wong, Anna; Yeager, Shirley.

GOLDEN M SOCIETY

Sponsored by Mr. E. R. Morehead, the Golden M Society, which includes all students on the Honor Roll, was initiated through the earnest work of Mesdames Ray Rudolph and Ted McKay.

At the termination of each quarter, members of the Honor Roll are called before the student body where public recognition is given them through a ceremony presenting the Golden M pin.

A student may wear the pin as long as he remains on the Honor Roll. If, however, he fails to stay on the Honor Roll, he must surrender his pin to the student body treasurer. Members who remain on the Honor Roll for four consecutive quarters have a star attached to the Golden M for each year they make the Honor Roll.

If, at graduation, the student has been on the Honor Roll for twelve or more quarters, two of which must have been in the senior year, he may keep the pin, and his name and date are engraved on it.

This year two seniors, Henry Leighton and Rosemary Wong, have achieved the distinction of keeping the Golden M pin with three stars attached so far and the fourth star may be added at the end of the year.

At a luncheon held in the middle of the year, members of the club adopted their constitution by which officers of the organization are to be selected from the top members of the Honor Roll.

Incumbent officers include the following: President, Roger Mosher; Vice-President, Lou Frost; Secretary, Rosemary Wong; Treasurer, La Donna Fauver; and Historian, Tom Asmus.

C. S. F.

The California Scholarship Federation is statewide and is incorporated under the laws of California. Its motto is "Scholarship for Service."

The C. S. F. is really the high school "Phi Beta Kappa."

To be a member a student must have three A's and one B each semester. A student who is a member for six semesters out of the eight becomes a sealbearer.

The members this year visited the campuses of Stanford University and of San Jose State College.

Members of both semesters enjoyed a party given at Miss Rendtorff's home and also the annual picnic.

The officers were the following: President, Geraldine Chinn; Vice-President, Pat Mondloch; Secretary, Lois Curtice.

THE SENIOR CHORUS

New this year in Monterey Union High School is the Senior Chorus, a group of seniors under the direction of Rue Manhire. The chorus of about thirty voices made its debut singing two songs in the El Susurro Variety Show. During April they presented a program over KDON, and are now working on songs for graduation.

RADIO CLUB

The Radio Club, under the direction of Mr. Charles Mulkey, is the first one ever to be established in MUHS.

Being made up of approximately sixty students, the club hopes to be very active and successful in the future years.

Its officers this year were Roger Minami, president; Jim Van Deusen, vice president; Shirley Bloomer, secretary-treasurer; and Mary Ortman, social chairman.

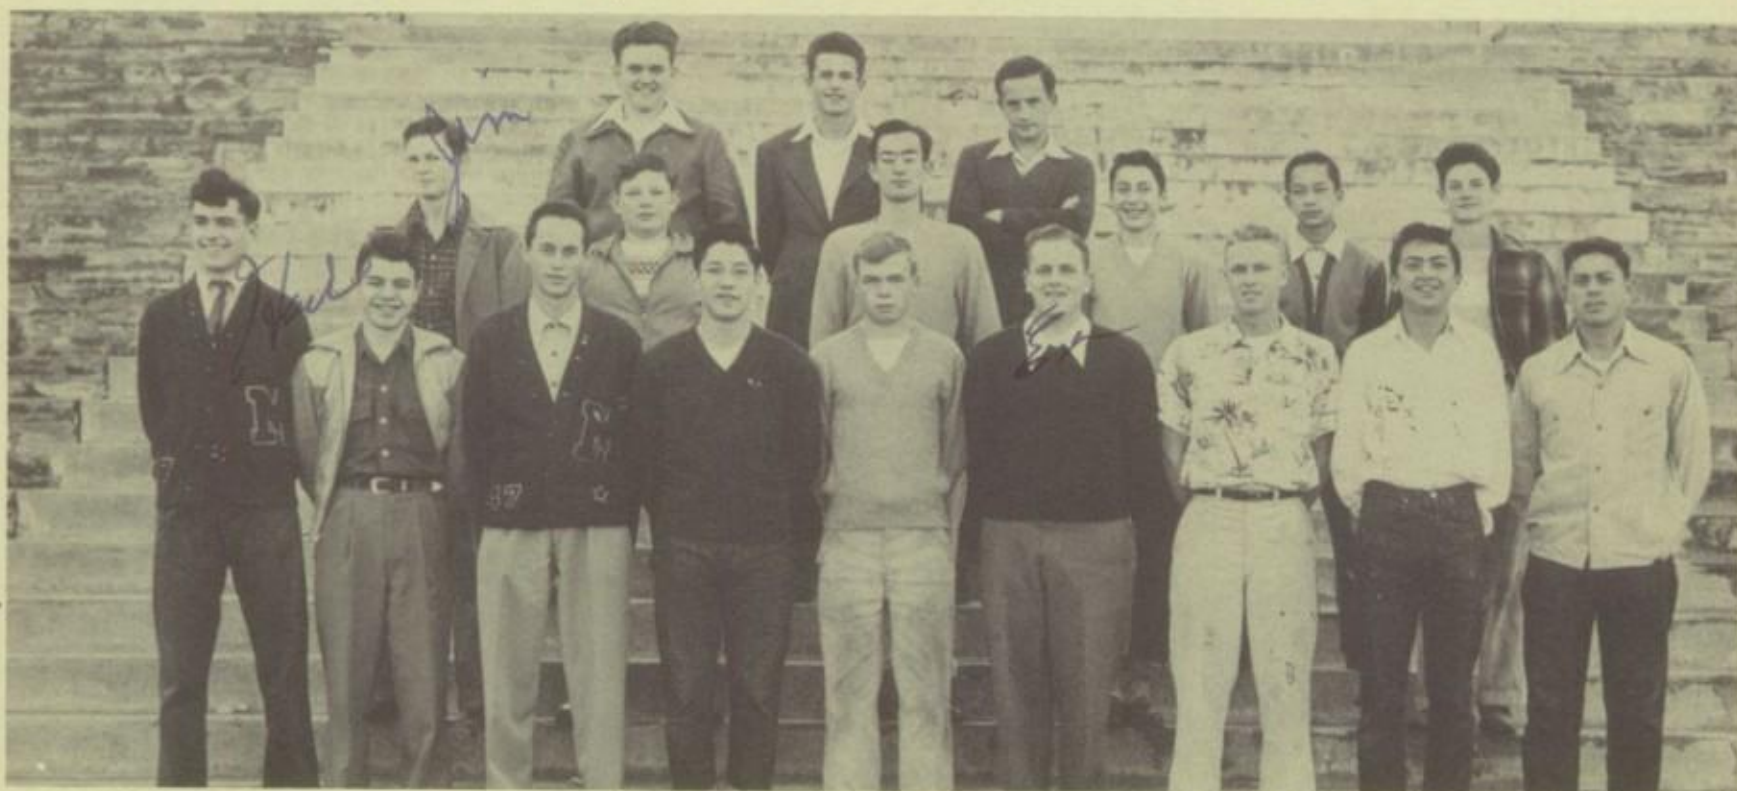

HI-Y

The Hi-Y is one of the newer clubs of the school. The faculty sponsor is Mr. Downey, but the club, as all Hi-Y clubs are, is sponsored by the Y.M.C.A.

Although the organization is relatively new, a "Smoker" and a Dad and Sons' Dinner are already on the agenda for the year.

Membership to club is limited, and only after an application is filed and the applicant is passed by a two-thirds majority vote of all the members, can membership be obtained.

Officers are Sal Solis, president; Ed Zubov, vice president; George Johnson, secretary; Jack Holt, treasurer.

THE TENNIS CLUB

The Monterey High Tennis Club held a number of pre-season tournaments and arranged matches with Carmel, Gilroy and Pacific Grove for the Junior Varsity players. The Monterey team was victorious in all matches.

Tournaments were held for the Freshman and Junior Varsity Singles and Doubles, with medals and a gold cup going to the winners.

George Langen won the Freshman and Richard Hart the junior Varsity singles; Hart and Zanetta won the doubles. Officers for the club were Jim Wu, president; Ernest Zaneta, vice-president; Joe DeLappe, secretary-treasurer.

VARSITY FOOTBALL

The 1946 football season was a fairly successful one for the Monterey Varsity squad, once again under the able direction of Coach Hal Youngman.

The Toreadores won three of four league contests and finished second in the CCAL "A" division.

To a line built around the talents of returning regulars, Al Garnero and Roy Forzani, guards, and Tom Russo, tackle, Coach Youngman with his assistant, Leon LaFaille, added Sal Enea, sensational end on the 1945 Lightweight team, and Horace Rappa, a talented newcomer, at the flank position. However, Rappa was injured in the first game of the season and was replaced by Vince Aiello, small but rugged candidate, also up from the Lightweight squad.

Paired with Russo at the tackle spot was big Forrest Millington, with two years' varsity experience behind him.

At center was Sophomore Bill Krebs, who, with one year of experience showed up remarkably well all season.

Garnero and Forzani formed the finest guard combination in the league, and at the season's end, Garnero was named as an All-Northern California selection.

In the backfield, only one first stringer returned. Bob Delgadillo, two year regular, took over the ground-gaining chores from the fullback position. Sal Colletto, crafty quarterback, came up from the reserves to make a fine showing in every game.

Halfbacks included Pete Coniglio, out with injuries during a good part of the season, Secondo Maschio, fleet break-away specialist, Dick Narvaez, ace passer, Tom Incaviglia, talented drop kicker, and Joe Grammatico, hard-hitting freshman. All of these boys saw first string service at one time or another.

Monterey won its first game of the season from Tamalpais, 19-12, but lost to a good San Luis team, 20-14. Then came a hard fought 24-14 loss to Joe Felice and the San Jose Bulldogs.

The following week found the Toreadores entering league play by taking on the Watsonville Wildcats in the apple city. Monterey took on easy 19-7 victory, putting forth one of its most impressive showings of the season.

A second league victory was racked up by the Toreadores in their next game against Hollister. Bob Delgadillo ran wild against the Balers, and when the contest was over, Monterey had a 12-0 lead.

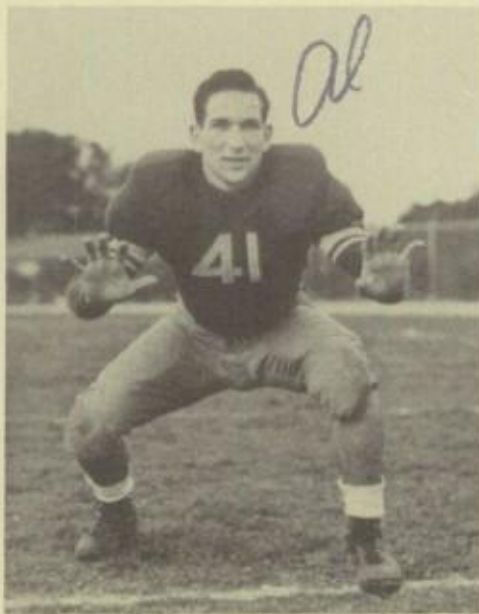

The Toreadores took to their home field for the next two games, and scored smashing victories in both. Madera proved no match for the Green and Gold gridders, and the game resulted in a 25-0 rout.

Santa Cruz was the next victim to fall before the Monterey grid machine, and, with Delgadillo and Sal Colletto handling the scoring, the Toreadores walloped the Cards, 30-0.

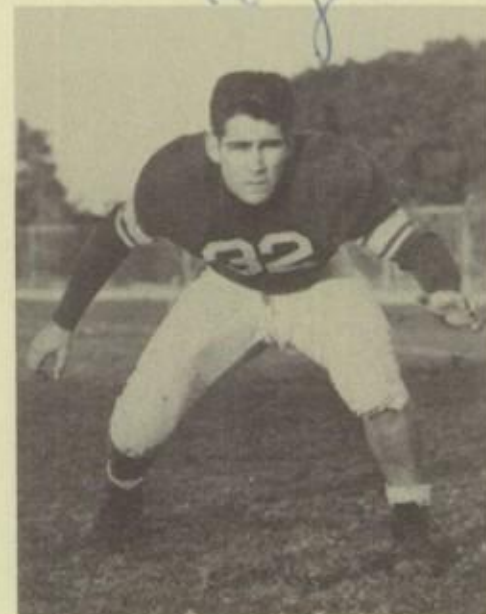

That was all the winning that Monterey was to do, however, for on the following week, after an enjoyable trip to the Stanford Stadium to watch the Washington-Stanford football game, it lost a 26-0 heartbreaker to the powerful Bellarmine aggregation. The impetus of the defeat was somewhat minimized by the fact that, with Salinas scouts in the stands, Coach Youngman elected to use only a few of the team's numerous plays.

Then came the game that had been awaited by thousands of students and football fans in the area. Monterey and Salinas were squaring off in their annual "Big Game", with the

CCAL championship at stake. A crowd of nearly 7,000 was on hand to witness the contest.

Salinas scored first, and big Rex Sandlin drop-kicked one of the extra points that were to prove disastrous to the Monterey cause. Monterey brought it up to 7-6, but Ken Parker rounded end to give the Cowboys a commanding 14-6 advantage. Even with another touchdown by halfback Joe Grammatico, the home team could not overcome the visitors. Salinas, with a 14-12 victory, was the CCAL football champion for the 1946 season.

Another game, scheduled with the George Washington Eagles of San Francisco, was rained out.

The Junior Varsity, coached by Leon La Faille, won two out of three games, defeating Gonzales, 13-7, losing to King City, 20-0, and winning from Salinas, 16-0.

Bolstering both the Varsity and Junior Varsity teams during the year were reserves Allen King and Bob Crawford, ends, Justin Conway, tackle, Vince Maiorana, John La Monaco and Victor Davi, guards, Pete Balesteri, center, Ron Anestasi, fullback.

Horace Rappa, Jim Grammatico, and Ed Zubov were promising players who were injured at the beginning of the season.

Several boys who will be returning from both Varsity and Junior Varsity squads will assure the Toreadores of a strong team in the 1947 season.

LIGHTWEIGHT FOOTBALL

The 1946 Monterey Lightweight football squad, coached by Doug McNeil, proved to be one of the best in recent years.

It lost but one game during the entire season, although because of an eligibility technicality it was denied the CCAL championship.

Monterey's greatest triumph came in the season's closer, against Salinas, when it came from behind to win, 20-12.

Top players included Richard Lee and Nick Marotta, ends; Co-Captain Lou Frost and Frank Cardinale, tackles Sal Solis; Co-Captain Bob Feliciano, and Jack Holt, guards; Jim Van Dusen, Hilton Riley, and Joe Poltrone, centers; Don Cummings, quarterback; Yeizo Okamura and Richard Oyama, halfbacks; Felix Spiegler and Mike Baroni, fullbacks.

Andy Di Girolamo, Bernard Stevens, Mike Vucina, and Roy Dracovich were declared ineligible midway through the season.

This year's Toreador Cage squad, under the direction of Leon LaFaille, started off poorly, losing every one of its practice games, but it entered the CCAL season with a rush, only to fade badly in the final stages of the campaign.

Monterey had several outstanding players, with center Dick Narvaez receiving honorable mention in the San Francisco Examiner's All-Northern California selections.

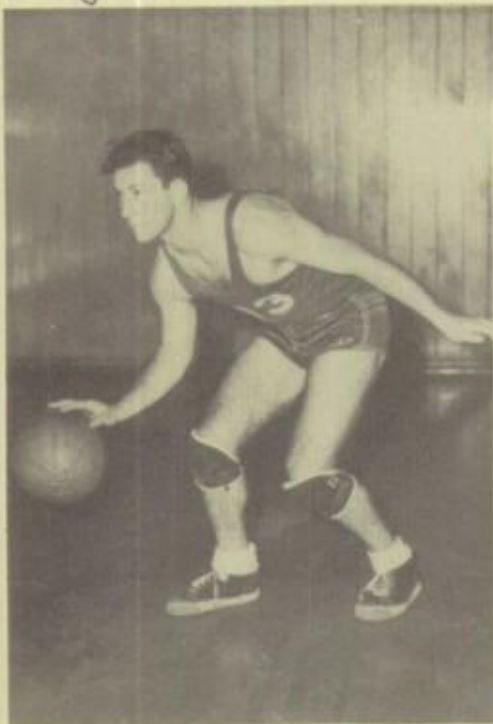

Doing most of the playing for the Varsity squad during the season were forwards Sal Colletto, Ron Roberts, recipient of a broken thumb three weeks before the season closed, Bill Wardle, and Bartlow DiMaggio.

Centers Dick Narvaez and Ronald LaVaun played good ball during the entire season, as did guards Tom Incaviglia, Captain Tom Russo, Bob Baugh, and Pete Coniglio.

Others who saw a good deal of action included Victor Davi, Hank Kuwatani, Vince Maiorana, Bill Reese, Alfred Leandro, Irving Wheat, and Arthur Vargas.

LIGHTWEIGHT BASKETBALL

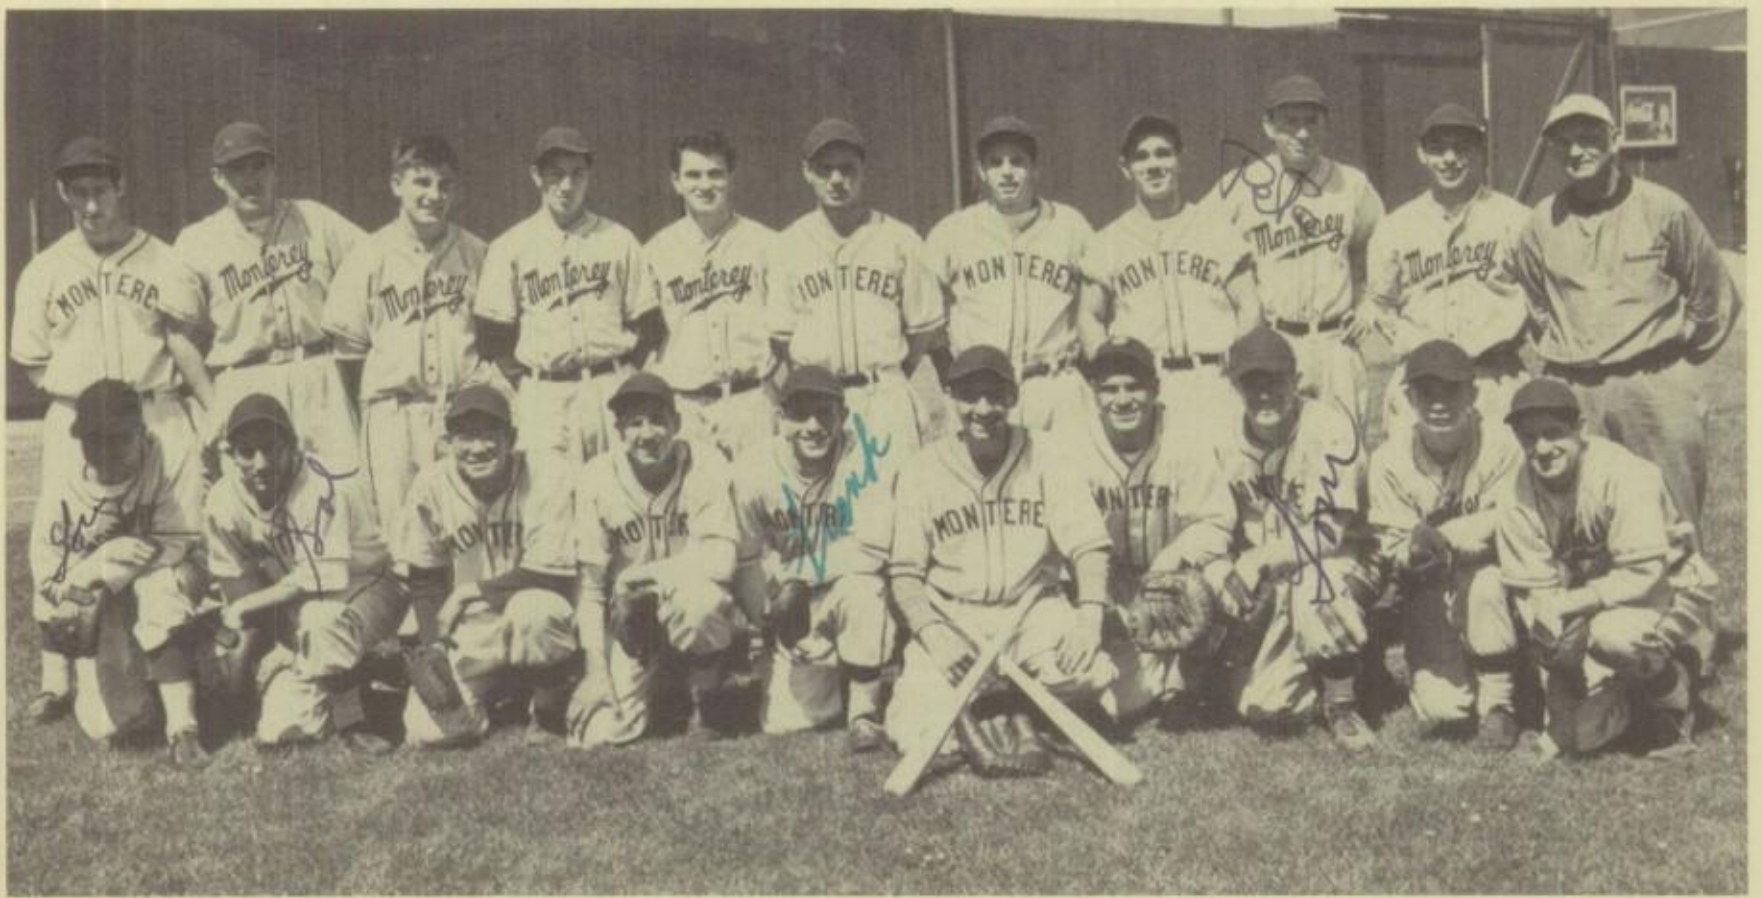

Coach Hal Youngman's Monterey Lightweight Cagers enjoyed a successful season, winning five league games while Losing three, and finishing second in CCAL standings.

The Babes had a fast-breaking squad, paced by Captain Frank Flores, Al Matthews, and Richard Lee at forwards, Don Cummings at center, and Ray Messinger and Dan Albert at guards.

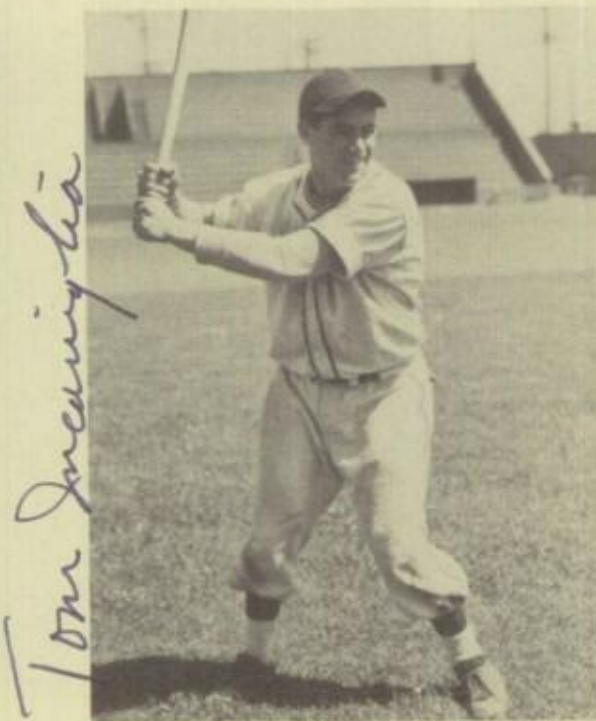

Also playing during the year were Lawrence Matthews, Gus Aiello, Ed Souza, Bert Aiello, and Neno Aiello. Lou Rudolph, promising guard, suffered a broken arm midway through the season.

BASEBALL

With the return of many lettermen, who are supported by capable reserves, baseball should be an interesting sport to follow this year. Some of the outstanding returning players are Tom Incaviglia 2b; Tom Russo c, 1b; Frank Mercurio lf; John Buceti p, cf; Hank Kuwatani p, 1b; Bartlow DiMaggio ss; Sal Colletto 3b; Lou Frost rf; and Al Mathews lf, p. These are the boys who will carry the load.

Last year's squad took second place in CCAL standings, losing only one game to Watsonville, the league champions. The outcome may be different this year, however, as the potent squad has already downed Watsonville in its first league encounter.

TRACK

The Monterey Cinder Squad seems destined for another successful season. Coaches Hal Youngman and Doug McNeil have several veterans returning from last year's great team, undefeated in six straight regular season meets.

Frank Flores, hurdler and broadjumper, heads the list, with sprinters Al Martin and Don Wheaton, middle-distance men John Lo Monaco, Henry Leighton, Bob Crawford, Bill Wardle, and Bernard Stevens, and milers Bob Baugh and Dink McCormack rounding out the running events.

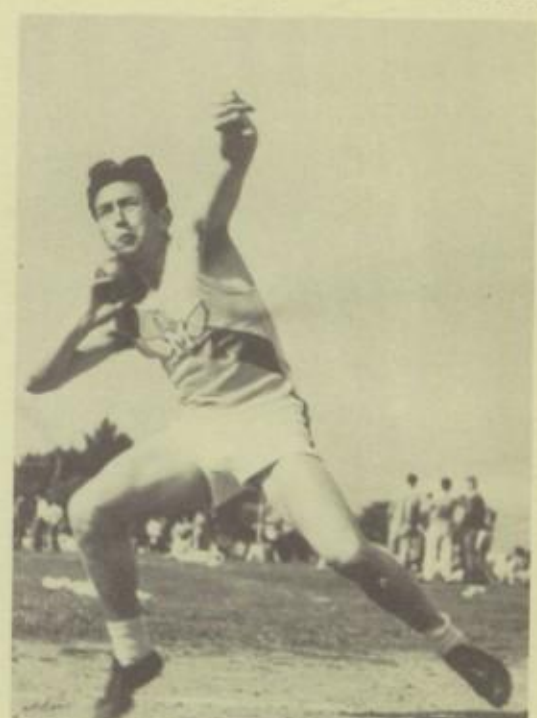

In the field, weightmen Bob Delgadillo and Dick Narvaez, broadjumpers Flores, Ron LaVaun,

BILL WARDLE

FRANK FLORES

BOB DELGADILLO

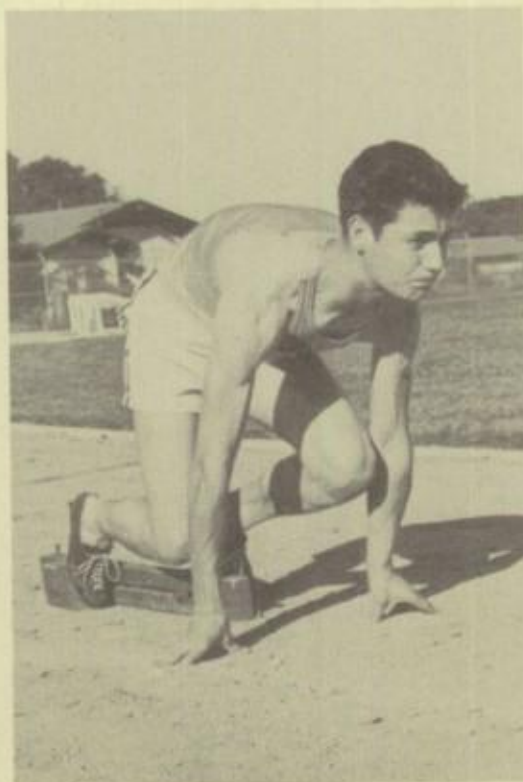

and Roy Forzani, highjumpers Al Garnero and Stan Clark, and pole vaulters Clark and Forzani are the Toreador mainstays.

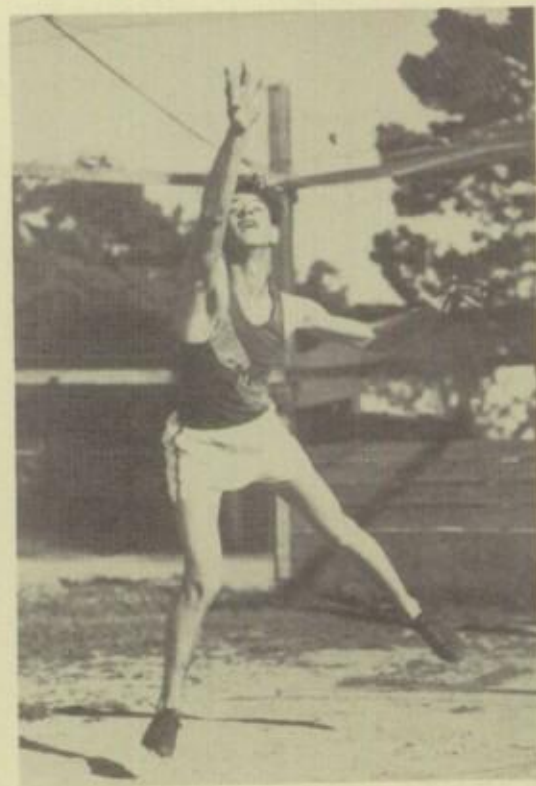

The lightweight squad lacks the manpower for a winning team. With only two returning lettermen, pole vaulter Jim Gallagher, and John Siragusa, discus thrower, the Babes are forced to field a small and inexperienced squad. Other promising lightweights are Pete McKay, broadjumper, and James Stucky, highjumper.

TENNIS TEAM

The Monterey Tennis Team, coached this year for the first time by John Gardner, is well on the way to another CCAL championship.

Led by Everett and Ray Messinger, playing the first two singles positions, the team swept its first two matches without dropping a set.

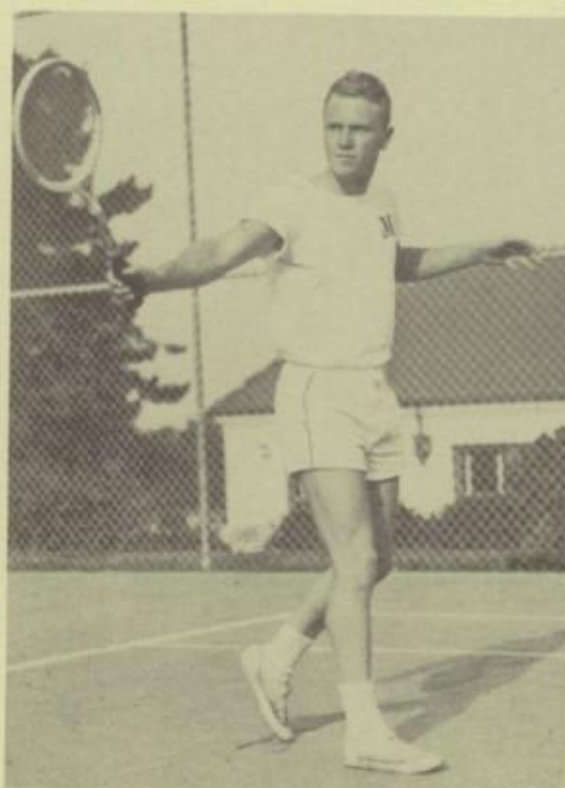

Others on the first team are George Crabb, Jim Wu, and Richard Hart.

The Junior Varsity, which usually plays the doubles matches, includes Ernest Zanetta, Jim Lecce, Earl Riley, George Langen, and Frank Campos.

SWIMMING

Swimming has become an important sport in the Monterey Union High School spring program, and the Toreador swim team, under the direction of Coach Frank Young, has put forth a group of good performers.

Bob Pietrobono, Don Cummings, Tom Dorney, and Charlie Jewart are lettermen returning to the squad, while newcomers Ken Kimball, Vic Ferrante, Jack Owens, and Nick Marotta, along with veterans Yeizo Okamura, Hitoshi Kono, Dan Garcia, Larry Cummings and Billy Jewart, assure the team of success in the nine meet schedule.

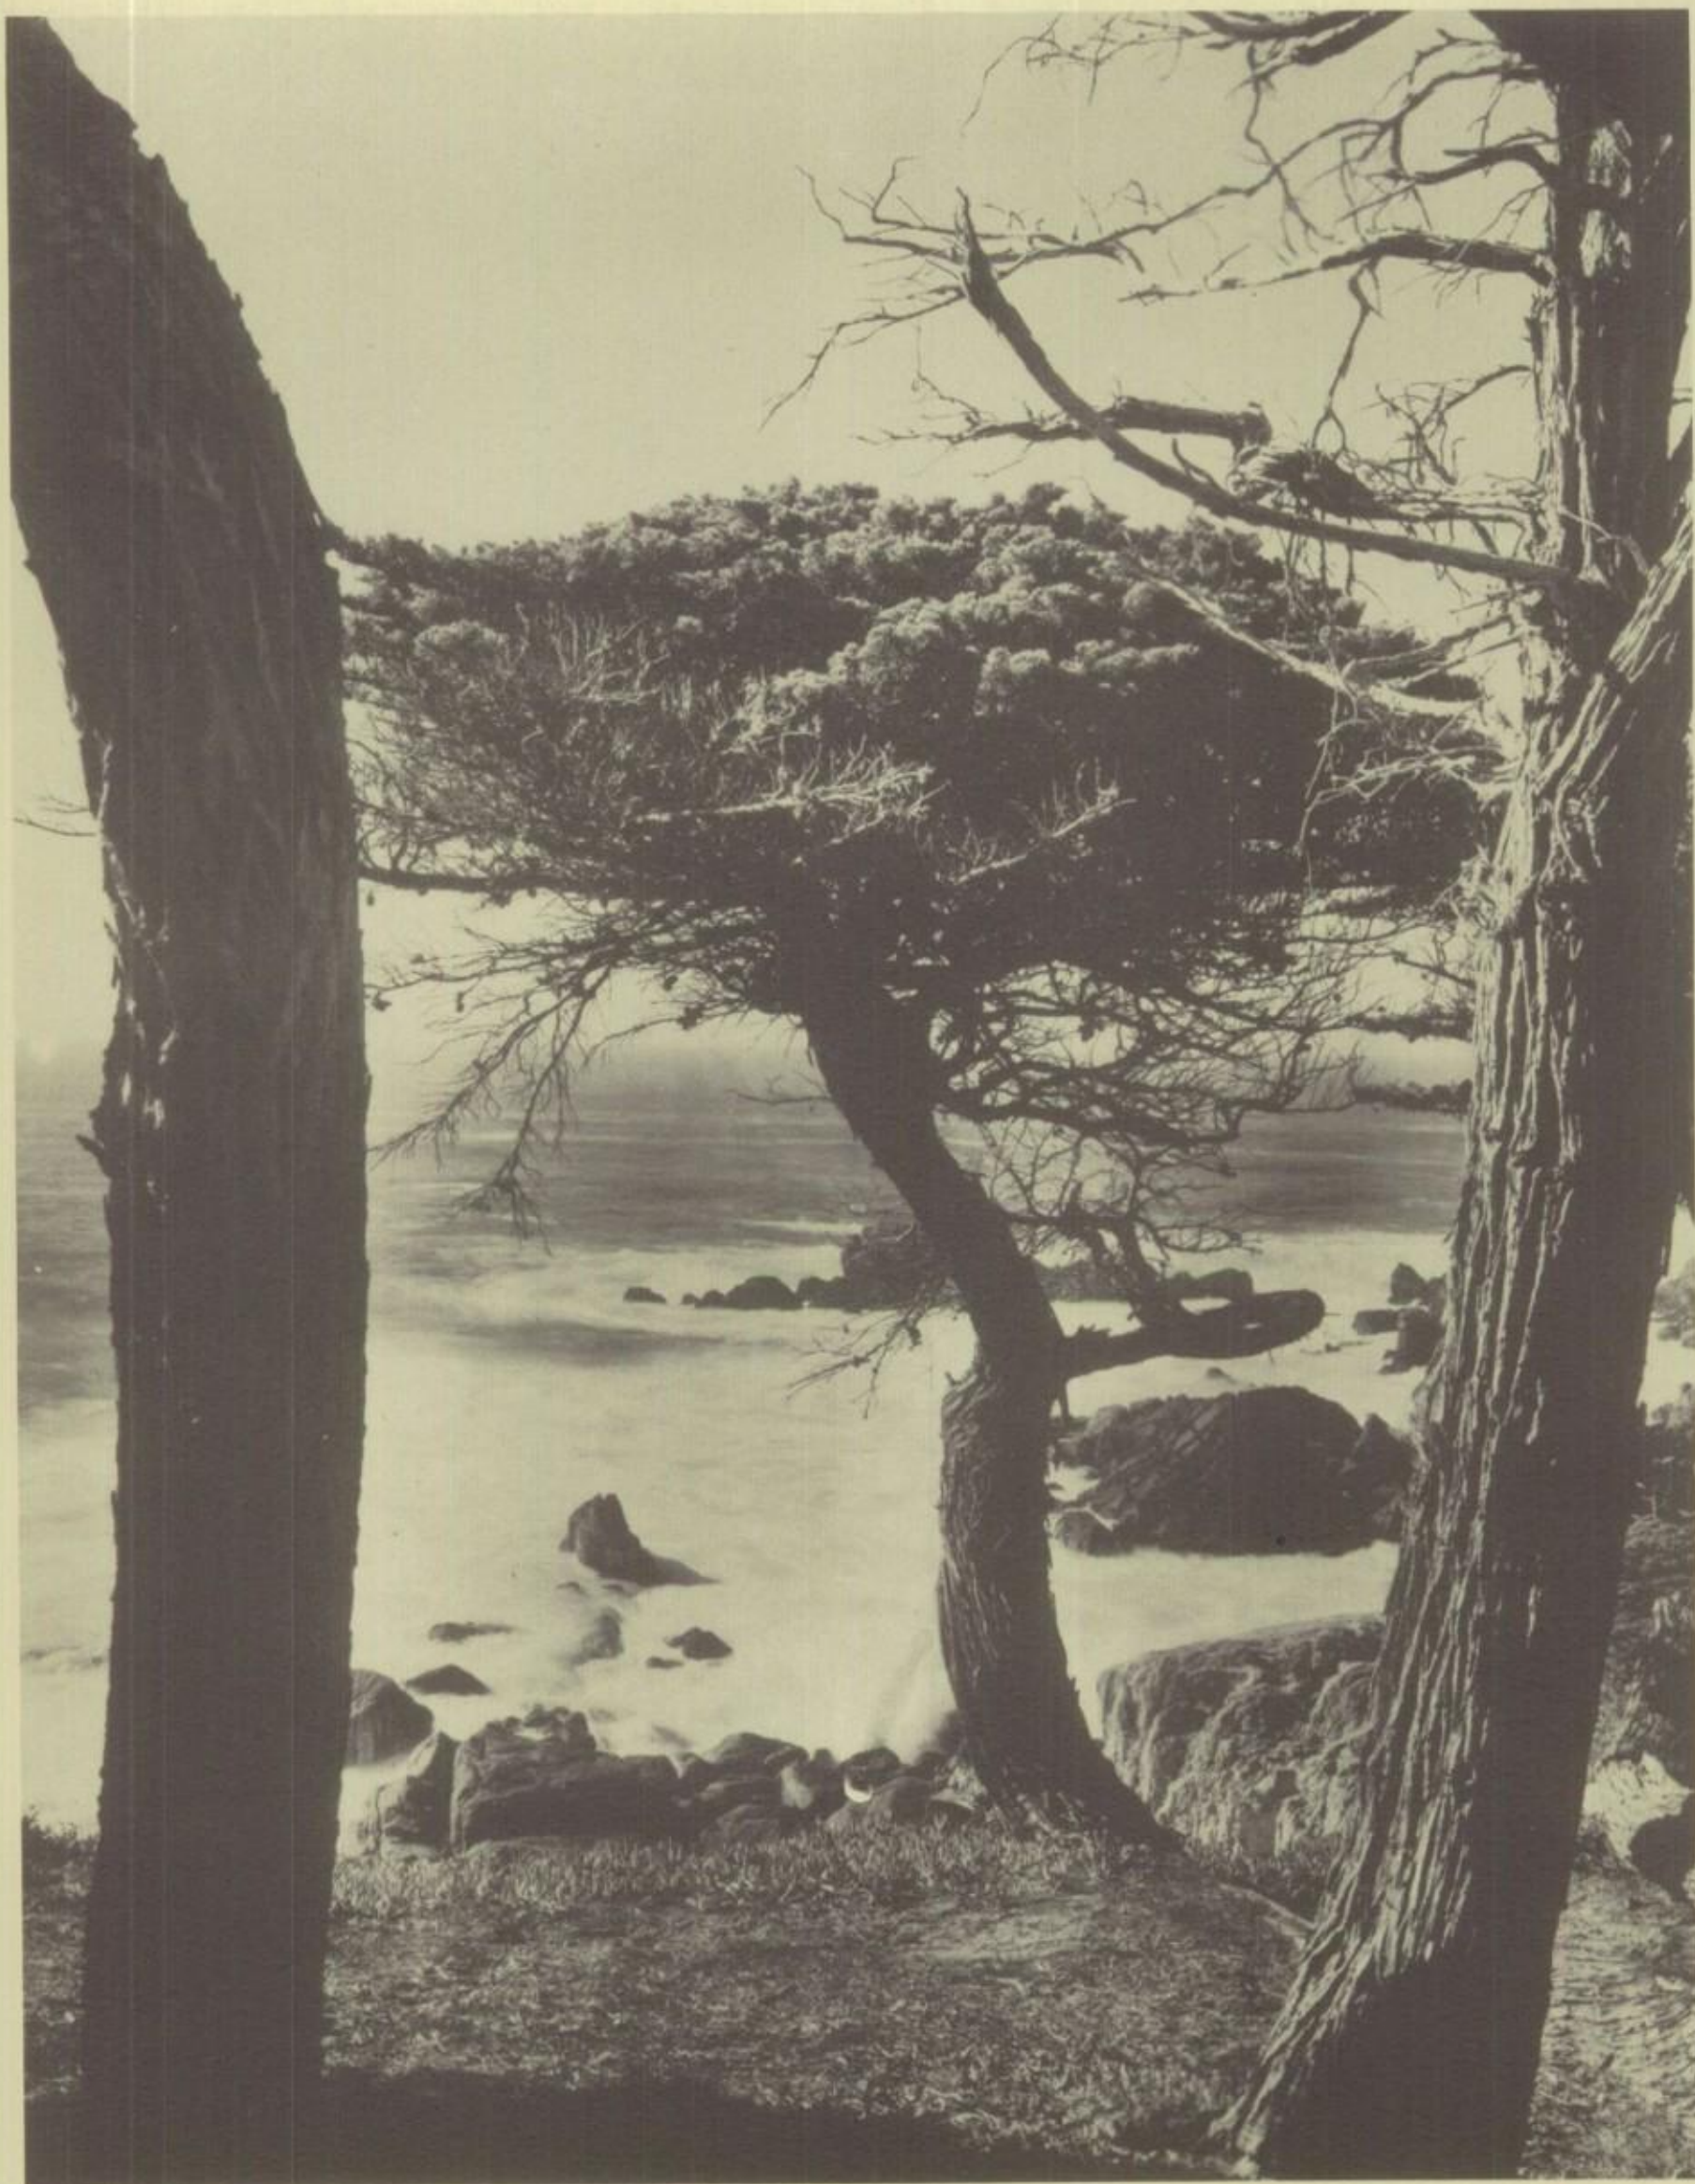

GOLF

Once again golf was a major spring sport at M.U.H.S. Although lacking experienced material, Coach Doug McNeil built up a capable squad. Felix Spiegler was the only returning letter man.

Most of the team members will be returning next year; so the future of Monterey's golf team looks bright. Boys who were outstanding this year included Drocovich, Murray, Speigler, Marotta, Kirby, King, Balesteri, Leandro, Bruno, Kimball, Pietrobono and Summers.

G. A. A.

G. A. A.

As in previous years, the G.A.A. has participated in interesting competition. Those who wish to compete in these various sports sign up, and from this list teams are chosen.

The seniors have been undefeated in soccer and volleyball, and they have high hopes of winning basketball and baseball. However, the under-classmen may break the seniors' record. Since the basketball championship was not decided until after publication of the book, this picture shows members from all four classes who made the A teams.

A junior, Cherie Rookledge, and a sophomore, Norma Hale, tied for top honors in the archery tournament. Antoinette Skalabrin, Lucille Avilla, Haruka Hori, and Lois Curtice were also high scorers.

The freshmen were forced to discontinue their badminton tournament because the old gym was condemned for further use. They did, however, have a very exciting tennis tournament in which Shirley Wingard and Agnes Buceti were top players.

The pictures of some of these inter-class tournaments are found on the following pages.

RAISING THE FLAG

The honor of raising and lowering the flag over M.U.H.S. belongs to Mr. Binns, one of our janitors. Each day of this year he has faithfully taken care of this job.

FRESHMAN WELCOME DANCE

The first dance of the year was held on September 17, in the gym. It was planned as a welcome to the freshmen to make them feel at home.

October

SERVICE CLUB LUNCHEON

Every month the Service club of M.U.H.S. has a luncheon which usually is followed by a business meeting. At these meetings members discuss the club's activities and think of ways in which they can serve the school.

MR. EDWARDS' CHESS AND CHECKER GAMES

During the first luncheon period of every school day a number of boys gathered in Mr. Edwards' room. Here they ate luncheon and played checkers and chess. They had quite a few tense games, but Mr. Edwards managed to keep ahead of them.

November

SERVICE CLUB DANCE

In November the Service Club gave, free of charge, an all-school dance, which featured a dance band and a fine puppet show. Initiated at this dance was a receiving line comprised of the club's officers and sponsors.

AWARDING THE GOLDEN M

The Golden M Society was started last year by Mr. Morehead and members of the P.T.A. The organization is composed of all the students who are on the Honor Roll. Each member receives a small gold M pin, and retains it as long as he remains on the Honor Roll.

December

SERVICE CLUB DANCE

In November the Service Club gave a dance for the school. For a floor show it presented a puppet variety program. The general impression was that everyone had a good time and also enjoyed the puppets.

OUR TEACHERS WITH BEARDS

The men behind these beards, believe it or not, are teachers and administrators of M.U.H.S. During the Centennial they grew these beards and mustaches. If you can't recognize them behind their bushes, they are (left to right): Mr. Hawthorne, Mr. Manhire, Mr. Bell, Mr. Holman, Mr. Goodwill, Mr. Martin.

January

Every school day before classes began and during the lunch hour, the social hall was open to the students. Some gathered there to play ping pong, to play the juke box, or just to talk.

BUS ENTRANCE

M.U.H.S. has in its fleet seven busses which are used a great deal every school day. About one half of the students come and go on the busses. Here you see them climbing in after a hard day's work.

February

THE LIBRARY

This year the library served a dual purpose as a study hall and library.

SCHOOL ELECTION

One of the most important activities we had this year was the mid-term elections. Our election board composed of five students and two P.T.A. sponsors, Mrs. Baugh and Mrs. Wingard, handled the election with efficiency and ease.

March

SADIE HAWKINS DANCE

This dance was given in the gym in the early part of January. Everyone wore jeans or skirts, torn shirts, or old blouses. It was one of the very successful dances of the year.

FEBRUARY

In February the El Sururro Staff decided to have a Sweetheart Dance. Out of twelve contestants one girl was chosen to reign as Queen of the Dance. Harvia Mundel was the queen, and the lucky boy was Ronald La Vaun, who served as King of the Dance.

GALLEON DANCE

The most original dance of the year was planned and put on by the members of the Galleon Staff. They used a French apache theme that went over with a bang, as you can see from the above pictures.

SPRING CONCERT

The orchestra and band, both under the leadership of our music teacher, Mr. Anderson, gave one of their best performances at the Spring Concert. A large number of people attended and helped to make the program successful.

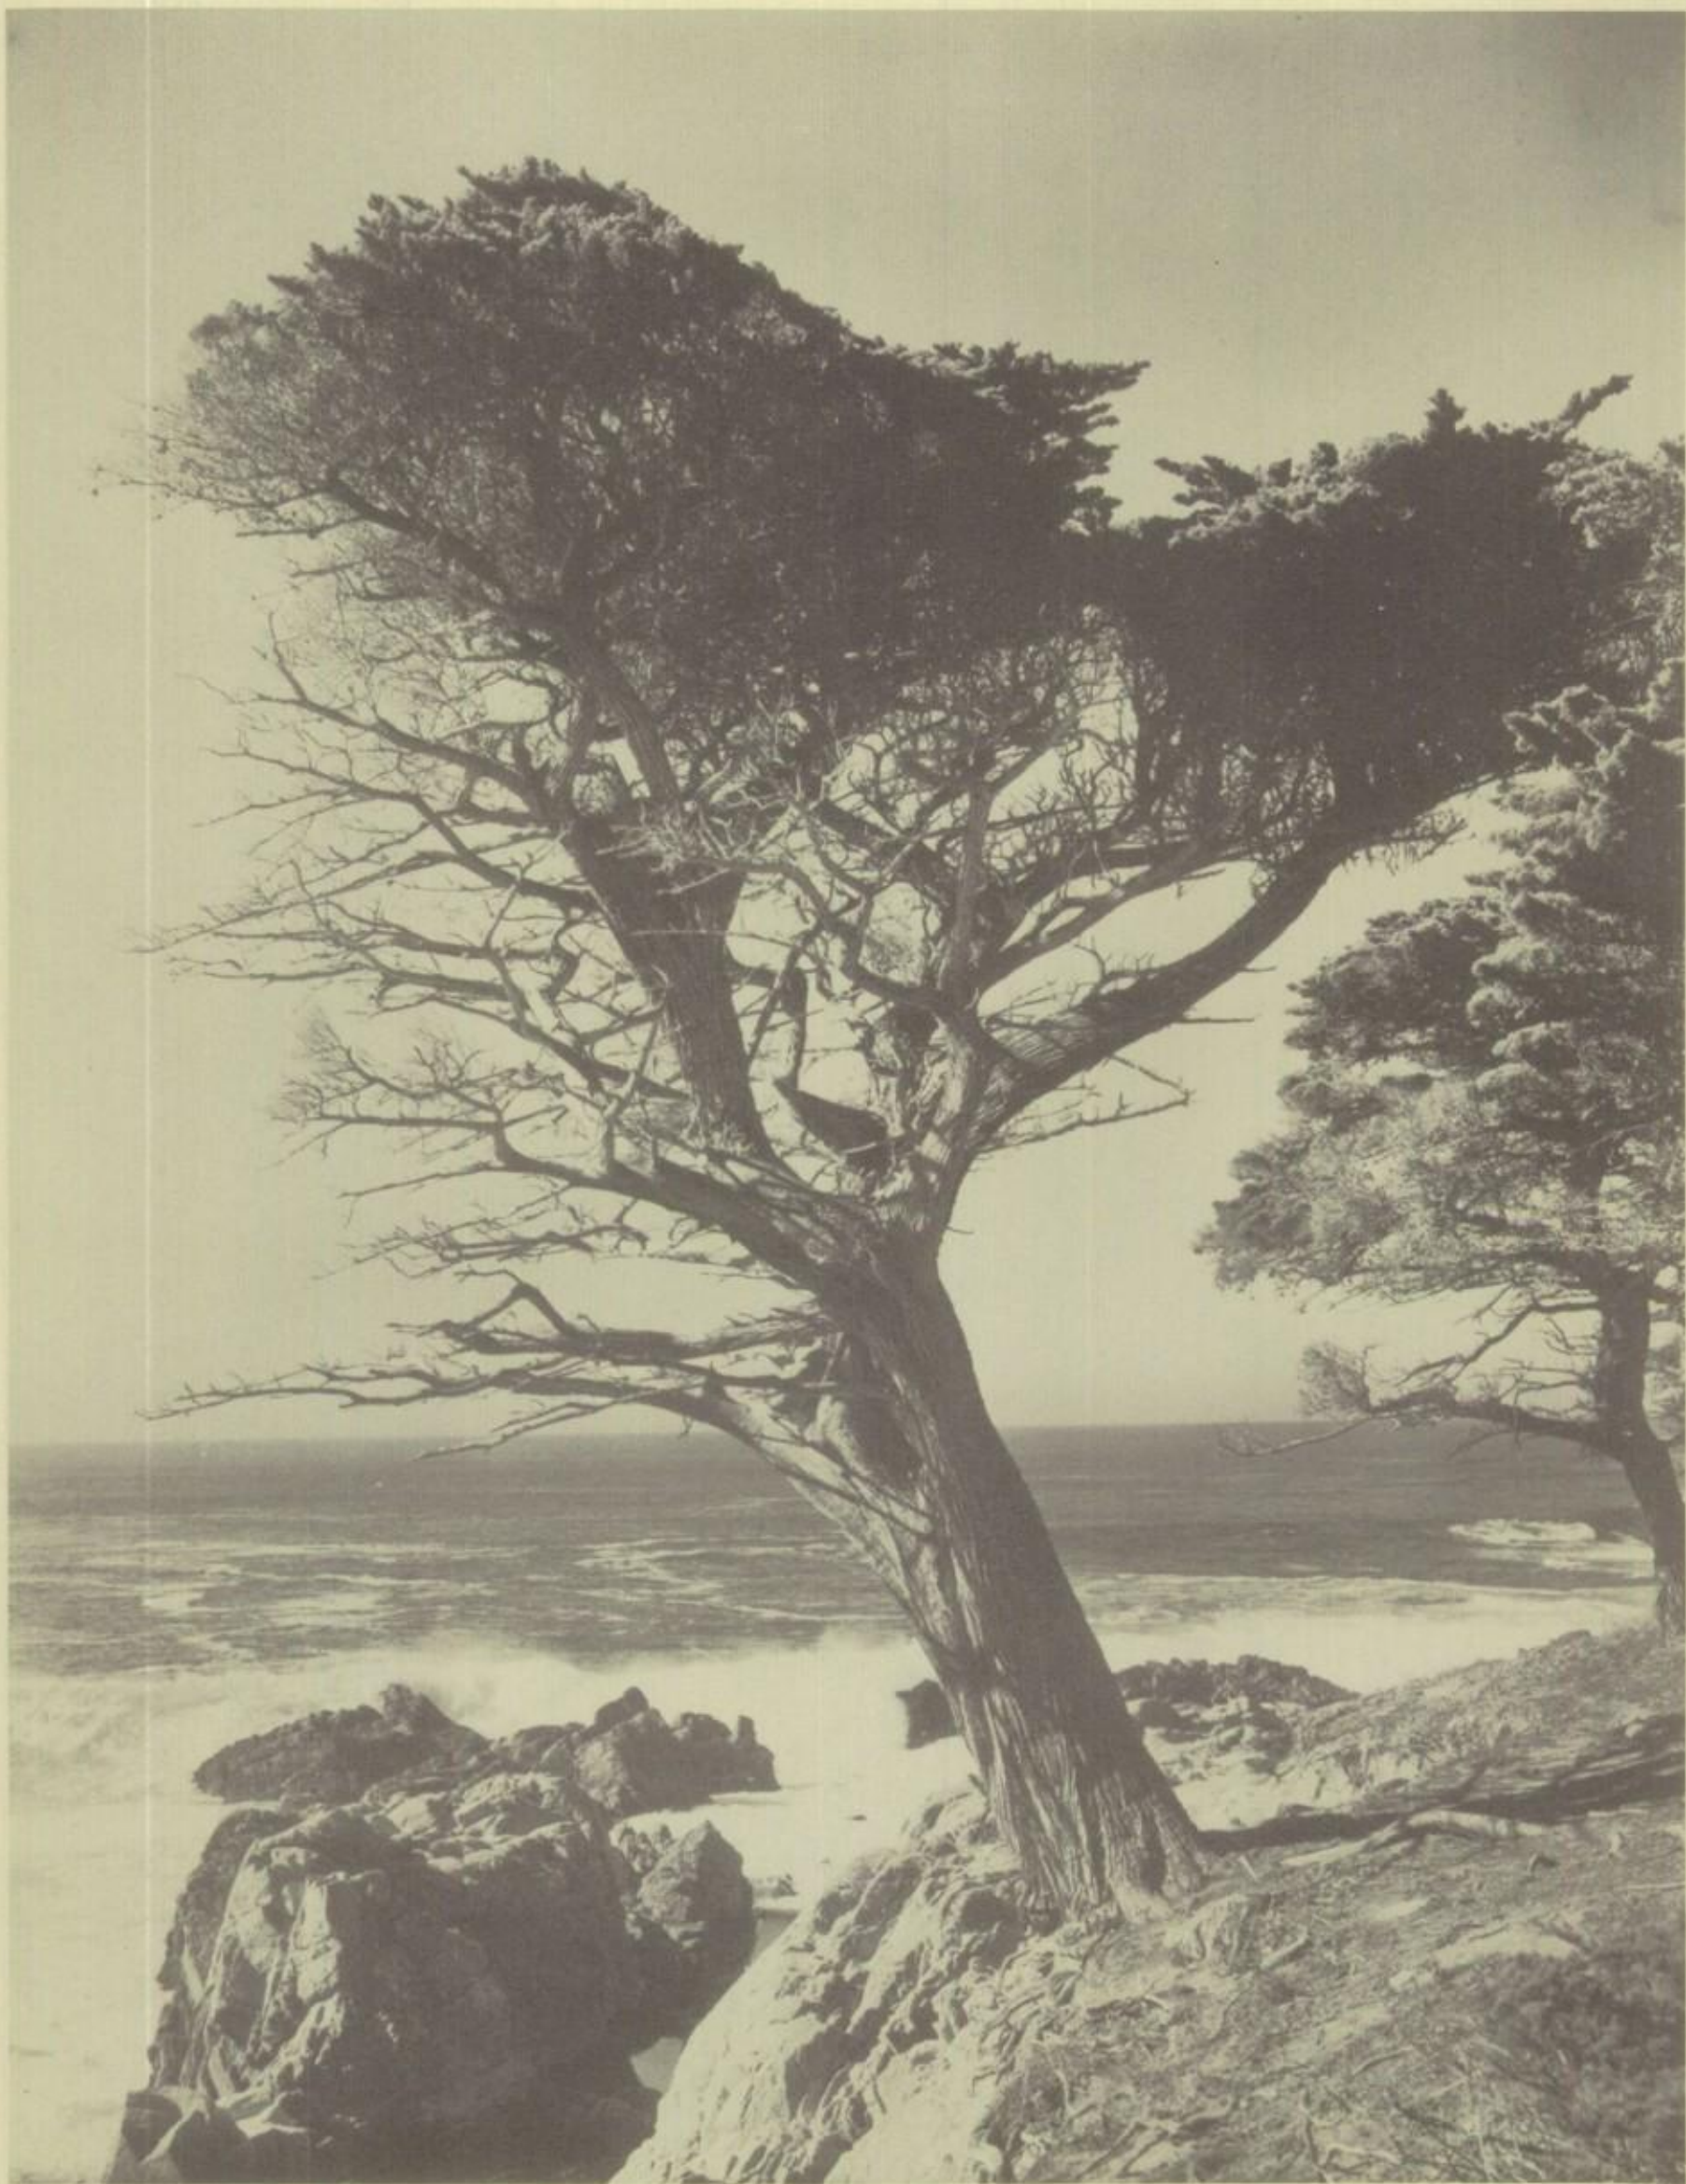

FOOTBALL BANQUET

This year the Monterey gridders were the hosts at the annual post-season, Monterey-Salinas, Football banquet, which was given at Asilomar. This picture was taken shortly after the boys had finished eating.

VARIETY SHOW

To raise money for the yearbook, Senior Editor Carolyn Raine undertook the task of getting a variety show ready. She got twelve acts together and on March 18 put over a good show.

Advertisements

On a shopping spree three girls purchased dresses for warmer weather. BETTY LOU JONES bought a large checked grey and blue dress by Janice Milan of New York. BARBARA DOWNEY purchased a light grey and chartreuse checked dress, and CAROLYN RAINE a pink railroad print. Both the grey and chartreuse check and the railroad print were made by Doris Dodson for the WILMA CAMPBELL DRESS SHOP on Alvarado Street.

DEMOCRACY AT WORK

There is one place where you can see the bright spectacle of Democracy at work and paying off. It's before you every day in the Monterey Peninsula Herald's Want Ad columns, where the little Want Ad wields its power.

Through it, thousands of Peninsula individuals carry on the tradition of free enterprise, offering goods, property, or services to other individuals. Through it are represented fairly and equally, all races, religions and conditions of men. Through it the personal business of the Peninsula becomes a big business built on individual selling, buying, renting, hiring and swapping.

Well Dan -
the year is up - but
it has sure been a
lot of fun - it was
a lot of fun at Hi-Y-
Good luck & see you
around - Jim Van Dusen

Well Dan we've had
a lot of fun in Solid
and Trig and now
I want to say
goodbye and Good
luck to you.

Here's wishing a swell
guy and a darn good
summer a lot of
luck. Boy I know
how you feel swimming

Dear Dan,
I wish you lots
of luck, and I still
think you are swell.
I had a wonderful
time at the Senior
Picnic - especially
afterwards.
Love always,
"Bright Eyes"

Dan -
I wish you the
best of luck in
the coming years.
We had lots of fun
in Solid & Trig.

Dear Bob:

Deepens, it seems impossible that
we've reached this goal (graduating)
together. It's really a pleasure to
have a swell guy like you for a
brother. Despite the many quarrels
it hasn't been so bad after all has it?
My sincere wishes to a brother whom
I'd never exchange can't be expressed,
but I hope you realize that all
the luck I could wish on any one
is "upon your head."

Loads of love,
"Sis"

Dear Dan,

Hell, I guess this is it
for us. I going to miss
Mr. H. K. S. I didn't know
you until my senior year
but I think you are tops.
Altho we've never had any
classes together I'll always
remember you. Don't forget
practicing for graduation &
finally graduation

Best of luck

Dear Dan,
I hate off luck
& happiness to
a swell guy. It
been nice knowing
you this year.
